## Moonlight – Ariana Grande

The sun is setting And you're right here by my side And the movie is playing But we won't be watching tonight Every look, every touch Makes me wanna give you my heart I be crushin' on you, baby Stay right where you are, cause

I never knew I never knew You could hold moonlight in your hands Til the night I held you You are my moonlight Moonlight

I kiss his fingertips As I'm wishing he's all mine He's giving me Elvis With some James Dean in his eyes Put his lips On my neck Makes me wanna give him my body I be fallin' for you, baby And I just can't stop, cause

I never knew I never knew You could hold moonlight in your hands Til the night I held you You are my moonlight Moonlight

2:10 Baby I be fallin' You are my moonlight Moonlight 2:48 He's so bossy He makes me dance Tryna sit in the back of his whip And just cancel my plans Sweet like candy But he's such a man He know just what it does When he's holding me tight And he calls me "moonlight" too
