

Moonlight – Ariana Grande

The sun is setting
And you're right here by my side
And the movie is playing
But we won't be watching tonight

Every look, every touch
Makes me wanna give you my heart
I'd be crushin' on you, baby
Stay the way you are

'Cause I never knew, I never knew
You could hold moonlight in your hands
'Til the night I held you
You're my moonlight
Moonlight

I kiss his fingertips
As I'm wishing he's all mine
He's giving me Elvis
With some James Dean in his eyes

Puts his lips on my neck
Makes me want to give him my body
I'd be fallin' for you, baby
And I just can't stop

'Cause I never knew, I never knew
You could hold moonlight in your hands
'Til the night I held you
You're my moonlight
Moonlight

Baby, I'd be fallin'
You're my moonlight
Moonlight

He's so bossy
He makes me dance
Tryna sit in the back of his whip
And just cancel my plans
Sweet like candy
But he's such a man
He knows just what it does
When he's holding me tight
And he calls me "Moonlight" too
