Show me the meaning of being lonely – Backstreet Boys

Show me the meaning of being lonely

So many words for the broken heart

It's hard to see in a crimson love

So hard to breathe

Walk with me, and maybe

Nights of light so soon become

Wild and free I could feel the sun

Your every wish will be done

They tell me

Show me the meaning of being lonely

Is this the feeling I need to walk with?

Tell me why I can't be there where you are

There's something missing in my heart

Life goes on as it never ends

Eyes of stone observe the trends

They never say forever gaze upon me

Guilty roads to an endless love (endless love)

There's no control

Are you with me now?

Your every wish will be done

They tell me

Show me the meaning of being lonely

Is this the feeling I need to walk with?

(Tell me why) tell me why I can't be there where you are

There's something missing in my heart

There's nowhere to run

I have no place to go

Surrender my heart, body, and soul

How can it be

You're asking me

To feel the things you never show

You are missing in my heart

Tell me why I can't be there where you are

Show me the meaning of being lonely

Is this the feeling I need to walk with?

(Tell me why) tell me why I can't be there where you are (where you are)

There's something missing in my heart

Show me the meaning of being lonely (being lonely)

Is this the feeling I need to walk with?

(Tell me why) tell me why I can't be there where you are

(where you are)

There's something missing in my heart
