

# Bitches broken hearts – Billie Eilish

You can pretend you don't miss me (me)  
You can pretend you don't care  
All you wanna do is kiss me (me)  
Oh what a shame I'm not there  
You can pretend you don't miss me (me)  
You can pretend you don't care  
All you wanna do is kiss me (me)  
Oh what a shame I'm not there  
What is it you want?  
You can lie but I know that you're not fine (oh yeah)  
Every time you talk  
You talk 'bout me but you swear I'm not on your mind  
You can pretend you don't miss me (me)  
You can pretend you don't care  
All you wanna do is kiss me (me)  
Oh what a shame I'm not there  
Everybody knows  
You and I are suicidal stolen art (oh yeah)  
Pretty moments sews  
Stitches into all your bitches broken hearts  
You can pretend you don't miss me (me)  
You can pretend you don't care  
All you wanna do is kiss me (me)  
Oh what a shame I'm not there  
Somebody new  
Is gonna comfort you  
Like you want me to  
Somebody new  
Is gonna comfort me  
Like you never do  
Every now and then it hits me  
That I'm the one that got away  
But I guess being lonely fits me  
And you were made for begging, stay
