

I'll Never Love Again (A Star Is Born) – Lady Gaga

Wish I could
I could have said goodbye
I would have said what I wanted to
Maybe even cried for you
If I knew
It would be the last time
I would have broke my heart in two
Tryin' to save a part of you

Don't want to feel another touch
Don't want to start another fire
Don't want to know another kiss
No other name falling off my lips
Don't want to give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No I'll never love again
I'll never love again
Oh, oh, oh, oh

Oh

When we first met
I never thought that I would fall
I never thought that I'd find myself
Lyin' in your arms
Mmmm mmmm
And I wanna pretend that it's not true
Oh baby that you're gone
Cause my world keeps turnin' and turnin' and turnin'
And I'm not movin' on

Don't want to feel another touch
Don't want to start another fire

Don't want to know another kiss
No other name falling off my lips
Don't want to give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No I'll never love

I don't wanna know this feeling unless it's you and me
I don't wanna waste a moment
Hoooo ouuu
And I don't wanna give somebody else the better part of me
I would rather wait for you
Hoooo ouuu

Don't want to feel another touch
Don't want to start another fire
Don't want to know another kiss
Baby unless they are your lips

Don't want to give my heart away
To another stranger
Don't let another day begin
Won't let the sunlight in
Oh I'll never love again
Never love again
Never love again
Oh I'll never love again
