Runnin' (Lose it all) feat. Beyonce & Arrow Benjamin – Naughty Boy

These four lonely walls have changed The way I feel The way I feel, I'm standing still And nothing else matters now, you're not here So where are you? I've been callin' you I'm missin' you

Where else can I go? Where else can I go? Chasin' you, chasin' you Memories turn to dust Please don't bury us I got you, I got you

Runnin', runnin', runnin', runnin' Runnin', runnin', runnin' Ain't runnin' from myself no more Together we'll win it all I ain't runnin', runnin', runnin', runnin' Runnin', runnin', runnin' Ain't runnin' from myself no more I'm ready to face it all If I lose myself, I lose it all

I've outrun the fears that chased They're standin' still I'm runnin' still, I'm runnin' still And every voice that cried inside my head Forever drives Forever drives I kill the lights

Ooo, where else can I go? Where else can I go? Chasing you, chasing you

Runnin', runnin', runnin', runnin' Runnin', runnin', runnin' Ain't runnin' from myself no more Together we'll win it all I ain't runnin', runnin', runnin', runnin' Runnin', runnin', runnin' Ain't runnin' from myself no more I'm ready to face it all If I lose myself, I lose it all
